It seems Mother Nature may really know best when it comes to finding new treatments for cancer, infectious disease and neurological disorders. Researcher Mark Hamann has a knack for finding uses for natural products, some of which are found in the oddest of places.

Science for the rest of us

MUSC's Science Café is a series of presentations offering entertaining talks on scientific subjects in a fun, non-technical way in a pleasant social environment. To learn more, contact Tara Abbott at 843-792-2926.
